Private Duty Nursing Services for EPSDT recipients, if medically necessary, are reimbursed on a fee for service basis.

The Division of Medicaid, as required by state law, shall reduce the rate of reimbursement to providers for any service by five percent (5%) of the allowed amount for that service.

From April 1, 2010, through June 30, 2010, and/or in the event expenditure reductions or cost containment measures are implemented, the Division of Medicaid may reduce the rate of reimbursement to providers for any service up to an additional fifteen percent (15%) of the allowed amount for that service including Medicare crossover claims.
